OSMA HPK 85

HIGH PROTEIN FINISHER CONCENTRATE

OSMA HPK 85 is a complete high quality protein concentrate containing all nutritional additives that is ideal for self-mixing operations & will add value to any feedlot or backgrounding operation. Follow the recipe accordingly & note that during the first week additional roughage must be fed to facilitate adaptation. This complete feed must be fed ad lib & ensure that the feed troughs are always full.

Always provide access to fresh & clean drinking water.
